Preaching Assignments

September 2026 - June 2027

Dear Pastors,

Thank you once again for your participation in this gift of ministry to our Brothers and Sisters in Classis Alberta North. To date, there are **6 vacancies**, and we have fewer sending churches, so you are asked to do a little more this year.

As you know, this is a fluid document, and changes will be made as churches receive pastors or have vacancies. Should the document change, you'll be notified via email, and the revised document will be posted on the Classis website.

Dates of Note:
- Thanksgiving: October 12
- Family Day: February 15
- Easter: March 28
- May long weekend: May 21-24

1. As the Sending Church, please make sure that you contact the Receiving Church and work out the details in a timely manner. This is especially important for Baptisms, Lord's Supper services, and other special requests. You may also want to negotiate the preaching date with the Receiving Church.

2. If, for some reason, your pastor is unable to fulfill the assignment, it is your responsibility to reschedule with the Receiving Church. Alternatively, your council may feel free to ask someone from the Pulpit Supply List to take your place.

3. The Pulpit Supply List can be found on the Classis website under Documents/Schedules, We are grateful Classis can provide you with quite an extensive list. Please make arrangements directly with these individuals to work out specific details.

4. Contact information for vacant churches is listed on the final page here. Has your church been inadvertently left off the list? Please email me at lklapwick@yahoo.ca as soon as possible. We're trying to keep the schedule as equitable as possible.

5. Travelling to and from churches? Please check the website for the travel policies and expense form claims. If you have questions regarding travel, please contact the Classis Treasurer at classistreasurer@gmail.com.
