## Classis Mission and Vision

At its meeting of October 2016, Classis adopted the following Mission & Vision Statements:

The **Mission** of Classis Alberta North as a regional gathering of Christian Reformed churches is:

- To assist, support, and encourage faithful and creative local ministry, promoting healthy churches; &
- To assist, support, and encourage local churches to unite in shared ministries of evangelism and diaconal involvement through denominational and common initiatives.

Its **Vision** is that Classis Alberta North will be a gathering of mutually supportive, healthy churches expressing the good news of God's Kingdom that transforms lives and communities.

Classis also adopted the following **criteria for Classis to engage in ministries** as Classis:

In order to fulfill its Mission, Classis Alberta North will develop a multi-year ministry plan.

Classis ministries must support its mission using the following criteria:

- Ministries serve to create and support healthy congregations and allow them to better carry out their local ministries
- Ministries have the strong support an/or involvement of a significant number of congregations
- Ministries are affordable and served with the appropriate personnel resources
- Ministries require support because they are too large for any one congregation to carry out.

The Classical Interim Committee will develop an outline of ministries and develop a schedule to review them, using the above criteria, to determine that they are viable and on-going Classis initiatives.

## Church Order articles related to Classis Meetings

### 1. Church Order Article 39 Constituency of a Classis

A Classis shall consist of a group of neighboring churches. The organizing of a new Classis and the redistricting of Classes require the approval of Synod.

### 2. Church Order Article 40 Sessions of Classis

The council of each church shall delegate a minister, an elder, and a deacon to the Classis. If a church is without a minister, or the minister is prevented from attending, another elder shall be delegated in place of the Minister. Office bearers who are not delegated may also attend Classis and may be given an advisory voice. (Art. 40-a)

The Classis shall meet at least every four months, unless great distances render this impractical, at such time and place as was determined by the previous Classis meeting. (Art. 40-b)

The ministers shall preside in rotation, or a president may be elected from among the

delegates; however, ordinarily the same person shall not preside twice in succession. (Art. 40-c)

When great distances or other weighty reasons make it impractical for a church to send three delegates to the classis, a council may opt to send two delegates. (Art. 40-a, supplement)

### **3. Church Order Article 75 The Ministry of the Classis**

The classes shall implement a ministry plan that advances evangelistic and diaconal witness to Christ and his kingdom in its specific region and, when necessary, assist those churches needing support to fulfill their mission.

Each classis shall ensure that deacons and elders are incorporated into the structure and plans for ministry in a manner consistent with their respective mandates.

The exercise is to assist delegates, especially first-timers, to reduce tensions, meet fellow delegates in a meaningful, sharing way, and to build a good Christian spirit of camaraderie.

The delegates in each group can pray with each other, lifting one another before the Lord. Then, when Classis comes together again, a brief report on these items can be shared, so that all are aware of what is happening in the churches of Classis.

More info can be found at: <http://justice.crcna.org/climate-witness-project>

## 2.13 Classical Abuse Response Team (CART)

**Mandate:** The Classis Abuse Response Team (CART) offers an Advisory Panel Process to councils in Classis Alberta North when allegations of abuse are brought by an adult against a church leader. The process is ecclesiastical in nature and does not prevent the claimant from taking criminal or civil action if deemed necessary.

**Accountability:** The CART is accountable to Classis Alberta North (CAN) and will provide at a minimum an annual report as to its areas of responsibility and membership. CART will inform CIC when an Advisory Panel is being convened.

**Membership:**

1. CART will be composed of a Convener and a minimum of 6 additional panel members.
2. The Convener may also serve on an Advisory Panel.
3. Members must be from not fewer than 4 CAN churches and represent a gender balance.
4. Members must be trained in the Advisory Panel Process and take part in a refresher course every subsequent 3 years.
5. Members must sign a confidentiality agreement.

**Guidelines:**

1. The advisory Panel Process is to be followed when:
  - a. The claimant is a legal adult (there is no statute of limitations, so alleged abuse may have taken place when claimant was a child or adolescent)
  - b. The alleged abuse is physical, emotional, or sexual in nature, and involves a CRC church leader.
2. Councils (normally the chair) should contact the panel's convener by phone and/or in writing if services may be required.

3. When an allegation of abuse is brought forward, the Convener will form an Advisory Panel of CART members who are not members of the congregation of either the accused or the claimant, nor may they have any ongoing affiliation with the accused or the claimant.
4. An Advisory Panel will normally include not fewer than 4 Panel members.
5. In a situation in which there are not sufficient Panel Members from CAN CART, the convener may recruit Panel Members from other CRCNA Classis CARTs.
6. CART will follow the Flow Chart of the Advisory Panel Process devised by CRCNA Safe Church [APP Flow Chart - 2023.pdf \(crcna.org\)](#).

For more information, complete guidelines, or consultation for all parties during an Advisory Panel Process, contact Safe Church ([crcna.org/safechurch](http://crcna.org/safechurch)).

### 3. Other Committees

#### 3.1 Advisory and Study Committees

##### General

1. The person named first at the appointment of the committee shall be its chair and the one named second its reporter.
2. Any member of Classis may appear before any committee concerning matters referred to it.
3. Committee Reports shall be signed by the chair and the reporter.
4. In case of a minority report, each report must be signed by the members of the committee who favour it.
5. During the debate the task of defending the report shall rest primarily upon the chair and the reporter.
6. Recommendations made by a committee are to be considered main motions. Only on the following conditions may such recommendations be returned to the committee:
  - New facts that were not at the disposal of the committee have become available.
  - Classis specifies the matters in which the report is faulty and specifies what changes must be made.
  - The motion to recommit is carried by majority vote.

##### Other Advisory Committees

1. Are appointed by the Classis Interim Committee (CIC) or, if necessary, by the officers of Classis. They serve only for the duration of a session of Classis.
2. The CIC shall appoint, for each meeting of Classis, a Credentials Advisory Committee.

##### Study Committees

1. Serve for a limited period of time in order to study certain matters for Classis and report at the next session of Classis.
2. Ordinarily are appointed by the officers of Classis or by the CIC, upon decision by Classis to do so.

## 3.2 Credentials Advisory Committee

### Structure:

1. Prior to each meeting of Classis, the CIC shall appoint delegates of two churches to convene the Credentials Advisory Committee (CAC). The appointments are on a rotating basis. The delegates of each church will serve for two consecutive Classis meetings to provide continuity.
2. Meetings of the CAC usually take place during the time Classis is convened; the CAC is encouraged to meet prior to Classis if possible.
3. A delegate from the first named church shall act as Chair to conduct CAC meetings. A delegate from the second named church shall act as reporter, who reports on the committee's work on the floor of Classis.
4. The Stated Clerk sends Credentials forms, with the Addendum, to the churches of classis along with the agenda. Items of concern raised by the churches on the completed credentials forms will be forwarded to the CAC by the clerk approximately two weeks before Classis meets. It is noted that requests for discussion or proposals to be dealt with at Classis that require significant preparation are better submitted as overtures and will likely be put forward as items for a future agenda.
5. The form for each church should identify the delegates, as well as alternate delegates. It must be signed by Council President and Clerk and dated. It is the duty of the Stated Clerk to check for any deviations or missing forms.
6. Electronic submission of credentials: In almost all cases, churches will submit their credentials electronically. In such cases the printed names of the Council President and Clerk will suffice as signature.

Mandate: Art. 34 of the Church Order in effect states that churches of Classis shall provide their delegates with proper credentials which authorize them to deliberate and vote on matters brought before classis. The mandate of the CAC is as follows:

1. To identify and catalogue the responses to the two Questions under Church Order Art. 41 that are provided on the form.
2. To provide to all delegates a list outlining the issues that have been identified on the forms, and the churches that submitted these matters.
3. The Addendum to the Credentials form outlines additional information to be provided by churches who have responded to either or both questions. Such information should be included in the above list.
4. Delegates of the submitting churches will each be given two minutes at Classis to explain or elaborate further on the issues they have submitted and what action they desire. Delegates will then rank or prioritize the issues and return the prioritized list to the CAC.
5. The CAC will then review the prioritized list and present a report and recommendations to Classis as to further action to be taken. This could include, but not be limited to:
  - Discussion on the floor of the present meeting of Classis,
  - Referral to a subsequent classis meeting, or
  - Referral to the CIC, a standing committee, a study committee, an ad hoc

committee, or to a church.

### 3.3 Church Visitors

Classis shall appoint several committees of Church Visitors composed of two of the more experienced and competent office-bearers (two ministers or one minister and one elder) to visit all its churches once a year.

The Church Visitors shall ascertain whether the office-bearers faithfully perform their duties, adhere to sound doctrine, observe the provisions of the Church Order, and properly promote the edification of the congregation and the extension of God's kingdom. They shall fraternally admonish those who have been negligent and help all with advice and assistance. They shall inquire as to the health of the church in its mission and in its relationships, and provide advice as needed.

The churches are free to call on the church visitors whenever serious problems arise.

The Church Visitors shall render to Classis a written report of their work. One copy of Church Visitors' reports goes to the Stated Clerk, and one goes to the church visitor coordinator, who will make copies of previous visits available to the visitors.

## 4. Classis Employees

### 4.1 Hiring Principles and Procedures

4.1.1 The following principles will apply in the for hiring employees of Classis:

- Since Classis is the hiring body, it is important that Classis have a direct voice in selecting its employees;
- The Classis Interim Committee (CIC) has been mandated by Classis to act on its behalf between regular sessions of Classis; &
- It is usually in the interest of Classis and its ministries that vacant positions be filled in a timely manner.

4.1.2: The following procedures will normally apply in the hiring:

1. When there is a vacancy, the CIC will appoint an ad-hoc search committee consisting of members of the responsible ministry and one or more members of CIC;
2. CIC will provide the search committee with a salary range for the position.
3. The search committee will be mandated to advertise the position, interview candidates and recommend its preferred candidate to CIC along with a salary recommendation;
4. The CIC will review the recommendation of the search committee and, if satisfied that the recommendation is in the interest of Classis, will offer employment pending ratification by Classis;
5. The candidate may be expected to begin the work in the position prior to the Classis meeting, with the understanding that its continuance is dependent on Classis ratification. If the candidate does not desire or is unable to work in a provisional situation, the starting date may be delayed until after Classis ratification;

6. If the candidate has accepted an offer of employment, the candidate will be presented to the next meeting of Classis in the context of an introductory conversation/interview so that Classis and the person filling the position may meet and get to know each other; &
7. Following that introduction/conversation, Classis will vote on a motion to ratify the work of the CIC in this matter.

## 4.2 Employee Performance Appraisals

Ministry Committee chairs, and employees working with their Standing Committees, are strongly encouraged to discuss job performance and goals on an informal, regular basis.

A formal written performance evaluation is to be conducted by the Committee at the end of an employee’s initial period of hire, known as the introductory period (usually three months). Additional formal performance evaluations are conducted annually to provide both the committee and the employee the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals. Input may be received from others including the serviced body, church leaders and members of the Classis Ministries and Classis Interim Committees.

Performance evaluations are conducted using the *Short Performance Evaluation Form* found on the [crcna.org](http://crcna.org) website as a template. All evaluations must be filed with the Classis Stated Clerk.

## 4.3 Vacation Policy

This policy applies to full-time employees who have completed at least 90 days of continuous service. Except for the year of hire, vacation time is awarded on January 1 of each year, in accordance with the following schedule:

Recognized Years Of Relevant Experience*	Annual Vacation Award
0 – 9	3 weeks
10 – 19	4 weeks
20 or more	5 weeks

Vacation is to be arranged at a time as mutually agreed to between the employee and the respective ministry committee.

At least 2 weeks of vacation time shall be consecutive.

Up to 50% of unused vacation time may be accrued for a period of 1 year after which the time is forfeited. Prior approval, in writing, is required for any vacation accrual.

\* To be agreed upon by the respective ministry committee, the employee and Classis Interim Committee at time of hire and included in the appointment letter.

## 4.4 Compensation Policy

All employees are provided with an annual cost of living adjustment (COLA) to counter the effects of rising prices in the economy (inflation) and in recognition of tenure and

added experience. COLA is calculated based on the change in the Alberta Consumer Price Index (ACPI) for 12 months, ending August 31, less 0.5%.

## Classis Finances

1. The Churches of Classis are expected to pay Ministry Shares on a timely basis.
2. Travel expenses incurred by the delegates to Classis meetings ordinarily shall be paid by the local church. Exceptions are made for the far northern churches of Classis (Fairview and Fort McMurray), whose expenses are paid by Classis. Classis Functionaries who are not delegated by a church shall be reimbursed by Classis according to a specified rate. Delegates are expected to travel together as much as possible.
3. All budget requests, operating and capital, for Classis funds must be submitted to the Treasurer by a stated deadline. The budget requests will be presented and discussed at the Classis Ministries Committee meeting(s), prior to the budget for the following year being finalised. The Treasurer will prepare a budget package to be sent to the churches with the fall meeting agenda. If a Classis ministry fails to submit a budget request on time, the Treasurer will submit a budget amount equal to that for the current year or less.

The annual operating budget is a forecast of revenue, the tithes of our churches' members, and Classis ministry committees' expenses with both potentially changing due to unforeseen circumstances. Therefore, expenses beyond those approved by Classis should not be made without the prior approval of the CIC (via the Treasurer). The CIC, committees and Classis personnel are expected to show good judgement and discernment when making expenditures in recognition of their accountability to the churches of Classis.

Classis Ministry Committees are encouraged to communicate with and seek the input of the Treasurer when anticipating changes in their operating budgets.

4. Expenses incurred on behalf of Classis will be reimbursed using the provided form: Expense Reimbursement Request. The request is to be approved by the appropriate ministry committee chair. It is expected the request will be reviewed for accuracy and that the expenses claimed are within the Classis approved mandate and budget of the ministry.
5. When travelling on Classis business, the expectation is to keep expenses at a minimum. For example, using the comparison of renting a vehicle against the calculation for kilometrage with a personal vehicle, the lessor expensive option should be chosen.

Classis employees and committee members who travel on Classis business will be reimbursed at the rate per kilometre designated by Canada Revenue Agency (CRA) as reasonable (adjusted annually). For round trips more than 250 kilometres, where fiscally possible, the rental of a vehicle is expected. Exceptions should receive the prior approval of the appropriate committee chair under the advice of the Classis Treasurer.

6. Committee members will be reimbursed for travel expenses over 100 km per meeting.
7. Capital expenditures are any new items to be purchased with a value of over \$1,500, excluding taxes, and will be amortized in accordance with CRA approved guidelines as directed by the Classis auditor. The request for funds for the purchase of any item over \$1,500 (a capital expenditure) should be made at the time of annual budget preparation and, for the purpose of fiscal responsibility, have the prior written approval of the CIC

before actual expenditure. Funds for approved capital expenditures are not set aside if the purchase is not made. Individual items purchased with a value of under \$1,500, excluding taxes, will be included in the respective ministry committee's annual operating budget.

8. Delegates to Synod who suffer a loss of income to attend will be reimbursed up to \$300 for each day of loss. Additionally, any expenses incurred by a delegate to Synod which is not reimbursed by the denomination, will be reimbursed, with the prior approval of the chair of the CIC.

## Rules of Order at Sessions of Classis

### 1. The Chair shall:

- 1.1. Remain impartial on pending questions. In case the Chair wishes to speak on a pending question, he/she shall relinquish the chair to the Vice-chair and not resume the chair until the question has been disposed of. The Chair may speak to state matters of fact or to inform Classis regarding points of order.
- 1.2. Recognize for debate only those who seek recognition in the proper way. In case several delegates to Classis seek recognition simultaneously, the Chair shall give recognition with discretion.
- 1.3. Have the prerogative of declaring a motion or person out of order. If such a ruling is disputed, it shall be submitted to the meeting for decision by majority vote.
- 1.4. Make an immediate ruling on points of order raised. If a member objects to the ruling, the ruling may be reversed by majority vote.
- 1.5. Place before Classis every motion made and seconded according to the Rules of Order and clearly state the question before the vote is taken.
- 1.6. Have the right to vote on any question. The Chair always votes when the vote is by ballot. In case of a vote by the raising of a hand, the Chairman ordinarily does not vote unless he/she deems it necessary to make his/her vote the deciding one. In case the vote is tied, and the Chair abstains from voting, the motion is lost. Should the Chair vote affirmatively, the motion is carried.

2. **A main motion** is a motion that presents a certain subject to Classis for its consideration and action.

- 2.1. A main motion is acceptable if it meets the following conditions:

- 2.1.1. The mover has been recognized by the Chair.
- 2.1.2. The motion has been seconded.
- 2.1.3. The motion has been recognized as acceptable by the Chair.
- 2.1.4. At the request of the Chair, the motion has been presented in written form.

- 2.2. A main motion is not acceptable under any one of the following conditions:

- 2.2.1. It conflicts with the Scriptures as interpreted in the Forms of Unity or it conflicts with the Church Order.
- 2.2.2. It conflicts with a decision already made by Classis.

2.2.3. It is substantially the same as a motion already rejected by Classis, or it interferes with the freedom of action by Classis in a matter that was previously introduced but of which no disposal was made.

2.2.4. Another motion is before Classis.

**3. A motion to amend** is a proposal to alter a main motion in language or in meaning before a decision is taken on the motion.

3.1. A motion to amend may propose to delete, to insert, or to substitute certain words, phrases, sentences, or paragraphs.

3.2. A motion to amend is not acceptable if it nullifies the main motion or is not germane to it.

3.3. A motion to amend an amendment is permissible.

**4. A motion to postpone, to table, to defer, or to withhold action:**

4.1. A motion may be made to postpone consideration of a matter to a later time in the same meeting. Such a motion to postpone is debatable.

4.2. A motion to table or to defer a matter (to a future meeting or indefinitely) is not debatable.

4.3. If Classis prefers not to take any action regarding a matter before it, it may adopt a motion to withhold action. A motion to withhold action is debatable.

**5. Objection to a ruling of the chairman:** If a delegate challenges a ruling of the Chair or objects to the consideration of a question, the matter shall be referred to Classis for decision.

**6. Right of protest:**

6.1. It is the right of any delegate to protest against a decision by Classis. Protests should be registered during the session in which the decision was made. Protests must be registered individually and not in groups.

6.2. Delegates may ask to have their negative vote recorded. Such requests must be made immediately after the vote is taken.

**7. Call for a division of the question:** At the request of one or more delegates, a motion consisting of more than one part must be divided and voted upon separately.

**8. Discussion:**

8.1. A speaker must be recognized by the Chair to obtain the floor.

8.2. If a delegate who has the floor fails to adhere to the point under discussion or should become unnecessarily lengthy in his remarks, the Chair shall call attention to these faults and insist on clarity and brevity.

8.3. If a delegate has spoken twice on a pending issue, others who have not yet spoken twice shall be given priority by the Chair.

8.4. When the Chair judges that a motion under consideration has been debated sufficiently, he/she may propose cessation of debate. If a majority of Classis supports this proposal, discussion shall cease and the vote shall be taken.

8.5. Any delegate who deems a matter to have been debated sufficiently may move to close the discussion. Those who call the question shall be recognized in the same manner as others who gain the floor of Classis, i.e., by taking their turn on the list of those who have requested the privilege of the floor. If a majority is in favor of ceasing debate, the vote on the matter before Classis shall be taken only after those who had previously requested the floor have had an opportunity to speak.

**9. Motions to bring a matter once decided again before Classis:** If a delegate, for weighty reasons, desires reconsideration of a matter once decided, the following course may be pursued:

9.1. A motion may be made to reconsider the matter. The purpose of this motion is to propose a new discussion and a new vote. The motion must be made by one who voted with the prevailing side.

9.2. A motion may be made to rescind a previous decision. The purpose of this motion is to annul or reverse such a decision. Rescinding applies only to decisions taken by the Classis in session; it does not apply to decisions taken by a previous Classis.

9.3. A succeeding Classis may alter the stand of a previous Classis or it may reach a conclusion that is at variance with a conclusion reached by an earlier Classis. In such cases the most recent decision invalidates all previous decisions in conflict with it.

## **10. Voting:**

10.1. Voting may be by voice, by rising or by raising a hand, or by ballot.

10.2. If the Chair is unable to determine from a voice vote which opinion has prevailed, or if the Chair's judgment is questioned by a delegate, he/she shall ask for a vote by rising or by raising of hands.

10.3. In questions dealing with persons, matters of discipline, or other matters of a critical or sensitive nature, the vote ordinarily will be taken by ballot.

## **11. Delegation to Synod**

**Synodical decisions of 2015:** Article 45

*Synod is the assembly representing the churches of all the classes. Each classis shall delegate **one minister, one elder, one deacon, and one other office-bearer** to Synod.*

Note: As indicated in an earlier section, Classis has decided that the "other office bearer" will be a minister.

## **12. Voting procedure for delegates to Synod**

12.1. In December, the Nominations Coordinator:

- Prepares a list of eligible minister delegates and call each to determine if they are able to attend Synod as a delegate.

- Prepares a ballot of all eligible ministers who might serve as a minister delegate to Synod.
  - via the Stated Clerk requests each church in Classis for elder and deacon nominations to Synod. All nominees should be given to the Stated Clerk no later than Feb 01.
- 12.2. In January the Nominations Coordinator via the Stated Clerk will send an email to all the ministers on the ballot if they wish to have their name removed because they are unable to attend Synod.
- 12.3. In February the Nominations Coordinator will:
- delete those pastors from the ballot who have indicated they are not able to attend as a delegate to Synod, and
  - add to the ballot any elder and or deacon nominated by their respective councils.
- 12.4. At the March Classis meeting the Nominations Coordinator will hand out a one-page ballot for delegates to vote.
- 12.4.1. A final request if there are any ministers who wants their names deleted from the ballot.
- 12.4.2. Each elder or deacon nominee will have one of their respective church's Classis delegates say a few words as to why they were chosen.
- 12.4.3. A final request is made for any additional elder or deacon nominees to be added to the ballot.
- 12.4.4. Classis delegates are requested to vote on the ballot with any changes made at the meeting.
- 12.4.5. The minister receiving the greatest number of votes is declared the first minister delegate and the minister with the next greatest number is declared the second minister delegate. Those receiving the third and fourth greatest number of votes are alternates. In the event the lead delegates receive less than 51% of the votes, the balloting committee will recommend how to narrow the list.
- 12.4.6. The elder receiving the most votes is the elder delegate to synod, the second is the alternate.
- 12.4.7. The deacon receiving the most votes is the deacon delegate to synod, the second is the alternate.
